

Just Tape and Converting

Converting and Distribution of Tape and Adhesives

Our business is converting and distribution of pressure-sensitive tapes, liquid adhesives, epoxy adhesives, custom label stocks, films, foils and Teflon/Silicon-coated fabrics. We focus on providing our customers with stocking inventories and value-added converting services. We provide die-cutting, precision slitting, custom converting and lamination services.

Industries

- ***Aerospace***

Low out-gassing adhesives, aluminum foil, flash breaker, copper foil, composite mfg., polyamides, insulating, labels, non-silicone tapes, release films, and polyester, plasma/flame spray

- ***Electronics***

Thermal management, electrostatic dissipative (ESD), conformal coating, EMI/RFI shielding, electroplating vinyl, Kapton, Very High Bond (VHB), liquid adhesives, polyimide label stock

- ***Renewable Energy***

Foil tapes, EMI/RFI shielding, sputtering and deposition tapes, VHB tapes, protective films, labels and printers, thermal management

- ***Automotive/Industrial Manufacturing***

Lamination adhesives, liquid adhesives, double-coated tapes, VHB, foam, masking, and protective tapes, abrasives, custom label stocks, hook and loop fasteners, Dual Lock, and Teflon-coated fabrics
